## THE PENNY SUNDAY READER, VOL. 3 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Penny Sunday Reader, Vol. 3 It has been to us a source of great gratification and encouragement, to receive, in the progress of the volume, many communications from readers, who have been pleased to express themselves as highly approving our remarks upon the Proper Lessons, and as considering them even more interesting than those on the Collects. We commenced with many apprehensions. We felt that our plan was new - that the nature of our materials prevented our articles on the Lessons from being so short and varied as those on the Collects, Epistles, and Gospels; a point we regard, as very important. But, our apprehensions have not been realized. On the contrary, an increased, and increasing, interest in the subject has been manifested; and we trust that the blessing we have often and humbly implored on our endeavours, will render them effectual to make more and more known to the people, the treasure which they possess in that reasonable, and comprehensive, manual of devotion, the Book of Common Prayer. May they learn to prize, more and more dearly, that pure and Apostolical Church which enjoins its use - to dwell with affection and honour, on the memory of those good and learned men who compiled it; and to reverence those fountains of primitive piety, and those Holy Scriptures, from which it is drawn!
