Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Invisible Acts of Power (New edition), Caroline M. Myss, Each of us is born with an inherent spiritual task, a sacred contract to learn to use our personal power responsibly, wisely and lovingly. World-renowned intuitive and motivational speaker Caroline Myss argues that we are most godlike, most powerful and most apt to increase our own power, when we act with true generosity towards others. For this new inspirational and spiritual teaching, Myss draws on her own experience and that of thousands of readers who wrote to her about their lives and the acts of kindness that transformed them. She includes stories of generosity, faith, emotional support and friendship and shows the many real ways that everyone has divine power and can act with it - indeed, MUST act with it. Coupling these stories with a dynamic new teaching about the innate physical/psychological/spiritual need we all have to do good - INVISIBLE ACTS OF POWER will give readers the power to harness the positive energies of hope and faith in a time of overwhelming negative news and stress.
