CRACKS IN THE ARMOR (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.PREFACE We are in trouble because we are human. If there were the slightest possibility, I would have suggested to Mr. Webster a long time ago to prohibit the use of the epithet, flawless, on any human being. A flawless diamond, possibly, but not a flawless member of the human species. On this, history (not the versions usually and placatingly put forth by chroniclers contemporary to the age) stands as witness to the entertaining flaw in knighthood and canonization, both approved, administered, and conferred by one flawed human being upon another who, even in the most precise application of probability, can not be flawless. Three scores and ten have provided me with the observation that it is wiser to dwell more on the imperfection of man than to heap accolades on the Who s Who. The greats are commendably deserving of praise and respect, but the urgency of the day is how to tip the scales from the teeming, apathetically, and unwaveringly overflowed in favor of the less flawed. Alas! The problem is: the flaws are inextricably marrowed in our human nature and no human solution is possible for correcting the Dilemmatic Inequilibrium between duty and desire as these collide in human affairs. This monstrous phenomenon encompasses every facet of every human activity, personal, familial, communal, commercial, political, religious, national, or global. The eternal demand, consciously or instinctively, is to make a choice between duty and desire. The tragedy is: while having both (in the purest sense of fulfillment) is an impossibility, the choosing of one to the neglect of the other is the surest road to conflict and strife, to turmoil and death, be it the death of love,...
