Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.

Christian World Imprints, New Delhi, 2015. N.A. Book Condition: New. First. 23 cms. xx+212pp. Open-minded and visionary, these articles are meant to touch the daily life of busy people who are fully involved in the struggle and success of their life. These spiritual essays attempt to provide the readers with both roots and wings: roots that will give them a sense of belonging to the rich Indian heritage and wings that will take them forward based on the spiritual depth. These inspiring articles enshrine spiritual depth and religious openness, reflecting on science and spirituality; are not only for business leaders, managers, corporate executives, anthropologists, philosophers, theologians; researchers, institutions and libraries; but also for general audience, who may or may not be organisationally religious. They are meant to inspire a band of young men and women to think deeply about themselves, leading to deeper insights and wisdom. These spirituality focused articles of the Author, appeared in the "My Mind" Column of the `Financial Chronicle'.
