Filament Publishing. Paperback. Book Condition: new. BRAND NEW, Life Changing Quotes, Barry Phillips, "Change comes from one of two sources. First, we may be driven to change out of desperation. The second source that drives us to make changes in our lives is inspiration. I hope that is where you find yourself now - about to become sufficiently inspired to make major changes in your life. For over two decades, I have worked in the Personal Development arena, reviewing hundreds of books per year, and I am still astounded by the remarkable power of well spoken words. My own life has been completely transformed because of many of these 'Life Changing Quotes'. To me, the greatest contribution we can make to the life of another is to enable them to feel new hope, sense new emotions, and see new possibilities, and through this collection of inspiring and encouraging words, I trust this will be true for you." Barry the Book.
