Brand New Book ***** Print on Demand *****.Excerpt from The Intermediate Sex: A Study of Some Transitional Types of Men and Women The following papers, now collected in book-form, have been written - and some of them published - on various occasions during the last twelve or fourteen years, and in the intervals of other work; and this must be my excuse for occasional repetitions or overlapping of matter, which may be observable among them. I have thought it best, however, to leave them as they stand, as in this way each is more complete in itself. The second essay, which gives its title to the book, has already appeared in my *Love's Coming-of-Age* (edition 1906), but is reprinted here as belonging more properly to this volume. A collection of quotations from responsible writers, who touch on various sides of the subject, is added at the end, to form an Appendix - which the author thinks will prove helpful, though he does not necessarily endorse all the opinions presented.
