

Adam s Curse: A Future Without Men (Paperback)

By Bryan Sykes

WW Norton Co, United States, 2005. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.By the nationally best-selling author of *The Seven Daughters of Eve*, *Adam s Curse* investigates the ultimate evolutionary crisis: a man-free future. How is it possible that the Y chromosome, which separated the sexes and allowed humans to rise to the apex of the animal kingdom, also threatens to destroy sexual reproduction altogether? Bryan Sykes confronts recent advances in evolutionary theory to find the answers to the questions that inexorably follow: Is there a genetic cause for men s greed, aggression, and promiscuity? Could a male homosexual gene possibly exist? A must read for anyone interested in popular science, family genealogy, and today s infertility crisis, *Adam s Curse* provokes a shocking debate on the nature of sexual reproduction.
