Tidal Swings of the Stock Market (Paperback)

By Scribner Browne

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.To make great money in stock trading, you must not simply follow trends, but anticipate them. (NOTE: This work is a new edition of a classic investing book. It contains material that is all-new and all-original.) This is harder than it sounds. And for short-term traders, I believe, next to impossible. Therefore, the smart thing to do is to follow the long-term trends. That is how average people can build wealth as they work and save, then finally retire with financial freedom. If you have a fortune in stocks, you can read the news about Social Security with peace of mind. Let it go bankrupt! History teaches us that bull markets alternate with bear markets, just as high tides alternate with low tides. However, while we're living through those markets, we're caught up in the dominant emotion of the times. Greed during bull markets (remember thinking that Yahoo or just HAD to keep going higher?) Fear during bear markets (remember thinking in March 2009 that we were headed for a 4 or 5,000 Dow?) The markets...

Reviews

It is one of my personal favorite publications. Indeed, it actually performs, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, change the way I believe.

Great electronic book and useful one. Better than never, though I am quite late in starting to read this one. You can expect to like the way the author composes this ebook.
