All she wanted was to fit in, until one night when everything changed. Jade and Tasha, her two best friends, helped her create an online personality that was everything she wanted to be - and it was only the beginning. In doing so she attracted the attention of Henry, her lifelong crush and next door neighbor. Unfortunately it was Farrah her online personality and not herself he was interested in. She also attracted Chase the brooding, quiet, anti-social new kid of Brownsburg High School, who easily figured out her secret and blackmailed her. They forged a friendship that was both unique and complicated. Lacey must decide if revealing herself to Henry and her entire school as the cool, charming, and funny Farrah is worth possibly losing him forever, and she finds herself needing to make an even harder decision than she ever thought possible. When did the lines between truth and lies get so blurred Becoming a Butterfly is a story about coming of age and finding yourself when you never knew you were lost.
