SAL TERRAE EDITORIAL, España, 2016. Encuadernación de tapa blanda. Book Condition: Nuevo. 21x14cm. 232 pp. Cuando parece que se ha dicho todo sobre la misericordia, este libro coral asoma a nuevas perspectivas a través de autores reconocidos con propuestas enriquecedoras. Sitúa la misericordia en el evangelio, en la experiencia humana, en la teología, en el diálogo interreligioso, en la confesión y en internet. Una manera de contemplar la realidad vivida desde la misericordia, por su presencia o por su ausencia. Philipp Müller recupera la experiencia que le cambió la vida a Bergoglio. Un testimonio vital profundo que le condujo a desear hacer concreta y real la misericordia. Y Johannes Brantl reflexiona sobre la "civilización de la misericordia y el espacio digital". Apuesta por convertir a la primera en la "brújula interior" de una ética cibernética: "Que ayude a encontrar para uno y para los demás los aspectos positivos de internet y a evitar los aspectos negativos o al menos limitar su magnitud".
