Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Excerpt from *The Little Child in Sunday School: A Manual for Teachers of Beginners Classes (Ages, Four and Five)* This book for beginner deals with two fundamental ideas, love and service. The social point of view is consistently maintained. The child is taken in his normal relations, now extended from the home to that larger group found in the Sunday school. While the needs of the entire nature of the child and the conditions which surround his life are carefully considered, the emphasis is placed on the development of his religious qualities. The lessons aim to furnish instruction in right conduct and also to present ideals which shall develop a quality of life, a spirit and aim in the child's heart which result in fine action and a noble and reverent attitude toward the world in which he lives. In the lesson for Easter, for example, the thought is not confined to the awakening of nature; it is carried on to the awakening of new life and new love in the soul. Even little children respond to this appeal, and glimpse, according to their capacity, something of the wonder and vastness of the Easter message. The lessons offer an opportunity, steadily developed and increased, for the children's expression of the spirit of love in service. These lessons are the outcome of wide experience in the teaching of little children. They have been evolved and tested by the authors through several years in the Beginners department of the Disciples School, Boston. Miss Poor is Assistant Director of Kindergartens in the City of Boston, and Mrs. Guild is Dean of the Tuckerman School for the training of...
