ALL OF US WITH OUR POINTLESS WORRIES AND INCONSEQUENTIAL DRAMAS: SHORT STORIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the author of Leaving London This is your life and you may just recognize yourself within these seventeen short stories and six plays. If you've ever been in a less than perfect relationship, been trapped in a meaningless job you hate, have found yourself drunk, lost and alone in a new city on Christmas Eve, or have simply spent years trying to escape from a situation of your own making, then you may just find some comfort within the pages of this book. These stories are for everyone who has ever felt as if they were an outsider, marching to the beat of their own drum and trying to discover some real meaning hidden within the cliché of modern life, love and work. These are contemporary stories of doomed love affairs, cheating spouses and new beginnings in cities such as Paris, New York and London. A family dinner party where the ever-present elephant in the room threatens to reveal itself, girlfriends who leave, boyfriends who can't commit and one reclusive anti-hero fighting against a corporate giant all make an appearance within this collection of gritty and darkly humorous short stories. This collection includes The Paris Quartet. Four interconnected stories dealing with a first date gone wrong, looking for an exit from a city/relationship in which you feel trapped, the end of a marriage and a family dinner marred by a threatening atmosphere. After the second hour my inner voice began - this has to stop soon. She's bound to run out of steam. No one can talk for this length without pausing. By the fourth hour that voice was pleading with me - Make...
