Brand New Book ***** Print on Demand *****.This book takes a comprehensive look at the PLO, examining its origins, legal status, goals, and strategies. Jamal R. Nassar investigates the PLO s role in regional and international politics and unveils the dynamics of the power relationships responsible for the organization s successes and failures. The book discerns patterns and trends in the PLO s activities and studies the conditions under which these patterns and trends develop. Nassar places the PLO in a global perspective, delving into the basis of the organization s legitimacy and its prospects for participation in the peaceful resolution of the Arab-Israeli conflict. The book s organization and comprehensive coverage--beginning with a thorough historical background of the Palestinian experience--make it an excellent study for the student of Middle Eastern politics. Nassar probes the rise of the PLO to its present position as a major actor in the Middle East--one that is no less significant than a number of sovereign states. He shows that the PLO is a complex power that cannot hope to achieve its objectives independently of other regional powers but can prevent these powers from resolving the Arab-Israeli dispute. The book outlines the many peace initiatives that have been foiled by the PLO and reveals how Israel s refusal to talk to the PLO will likely thwart the achievement of peace. Students and scholars of Middle East and Palestinian politics, the Arab-Israeli conflict, terrorism, political ideologies, revolutionary movements, transnational politics, and contemporary history will find Jamal Nassar s book on the PLO an invaluable resource.
