

Winning Opportunities: Proven Tools for Converting Your Projects Into Success (Without a Business Plan) - Full Color Edition

By Raphael H. Cohen

Dog Ear Publishing. Paperback. Book Condition: New. RaphaËlle Aviva Levy (illustrator). Paperback. 260 pages. Dimensions: 11.0in. x 8.4in. x 0.5in. This book finally gives innovators an alternative to the painful writing of business plans. Not only an alternative but also a more effective, faster and easier way to convince investors and decision makers: the Opportunity Case is a more user-friendly way of analyzing and presenting a project, which has been quickly adopted by those who have been exposed to it. This includes many multinational corporations, public sector organizations as well as start-ups. It also addresses a central problem in existing businesses: many people have good ideas but very few of these innovations are actually implemented. The content of this book proposes the first practical process that has been demonstrated to boost innovation by up to 56. Winning Opportunities presents the IpOp Model, which models, in a very concrete and down-to-earth way, the core process of innovation that successful entrepreneurs and intrapreneurs use, even unconsciously. The model acts as a simple hands-on road-map for innovators who want to increase their chances of success. This structured and user-friendly road-map helps innovators turn an idea into a tangible opportunity, outline measurable deliverables, learn how...

Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
