Such is the very odd encounter with theoretical writing and reading which this book takes up by investigating Spivak's thinking in its connections with -- and disconnections from -- the red archive of Marx, Engels, Lenin and Mao. As Marx put it, an integument of contradictoriness binds the odd to its other series -- the common, the plain, the mass, and also the overfamiliar. In this extended study, the reader may consider whether something all too familiar and...
